RANGE BALL WASHER

We are proud to introduce our new improved rang ball washer that is redesigned and innovated in many respects:

- All stainless steel and plastic construction will assure that there will be no rust or corrosion.
- The exclusive " Spiral Flute Brush" design delivers the most complete cleaning possible .
- Integrated ball gate demonstrate convenient and easy to use.
- Single-swinging open lid make the cleaning job more efficiency.
- Less friction ensure minimum damage to balls.

Power: 380V/50Hz ,750W,
 Net Weight: 160KG
 Size: 5-1/3'W X 2-1/10'D X 2-4/5'H
 (163cmWX64cmDX85cmH)

BRUSH DRUM

[2120]

[2211]

[2212]

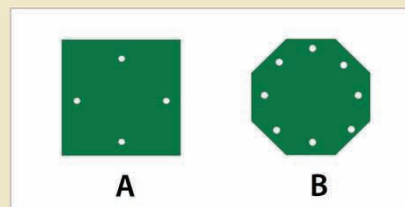

SHOCK-SAVER MAT

These popular mats set the standard for quality and durability. They are constructed from high quality nylon turf and resilient foam padding. The foam padding can be standard 15mm or alternative 20mm thick, both soft enough to absorb impact and strong enough to avoid distortion.

Standard Size: 59"X59"X1-1/5" (150cmx150cmx30mm), (15mm foam)
 Alternative Size: 59"X59"X1-3/8" (150cmx150cmx35mm), (20mm foam)

Order information:

- 22111A** Shock-Saver Mat Standard -Square
- 22111B** Shock-Saver Mat Standard -Octagon
- 22112A** Shock-Saver Mat alternative -Square
- 22112B** Shock-Saver Mat alternative -Octagon

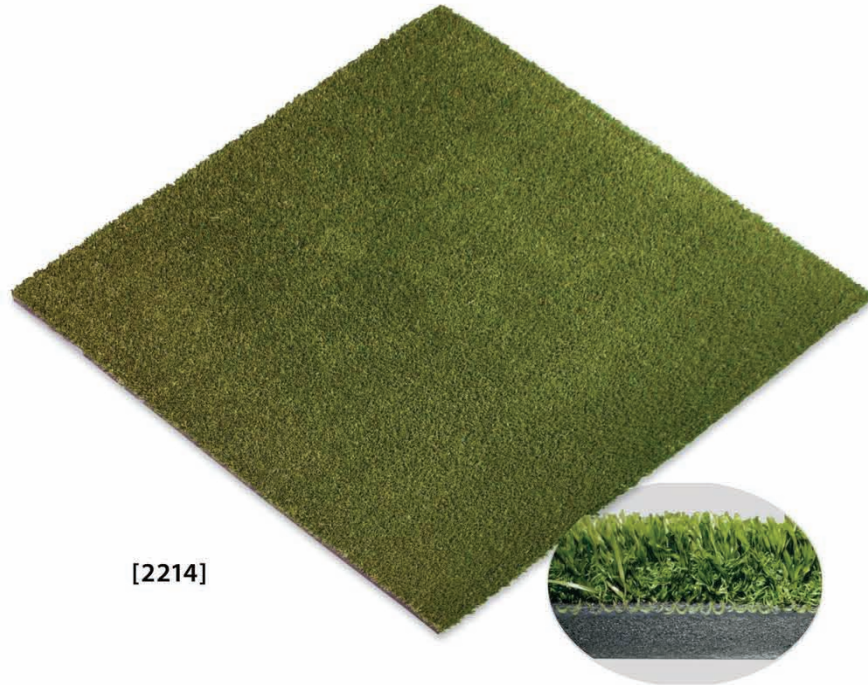

DUAL-GRASS MAT

The Dual-Grass Mat combines both straight and curled fibre. The straight fibre keeps the ball elevated for less clubhead resistance and the curled fibre provides cushioning and grip for player comfort and confidence. The foam padding can be standard 15mm or alternative 20mm thick.

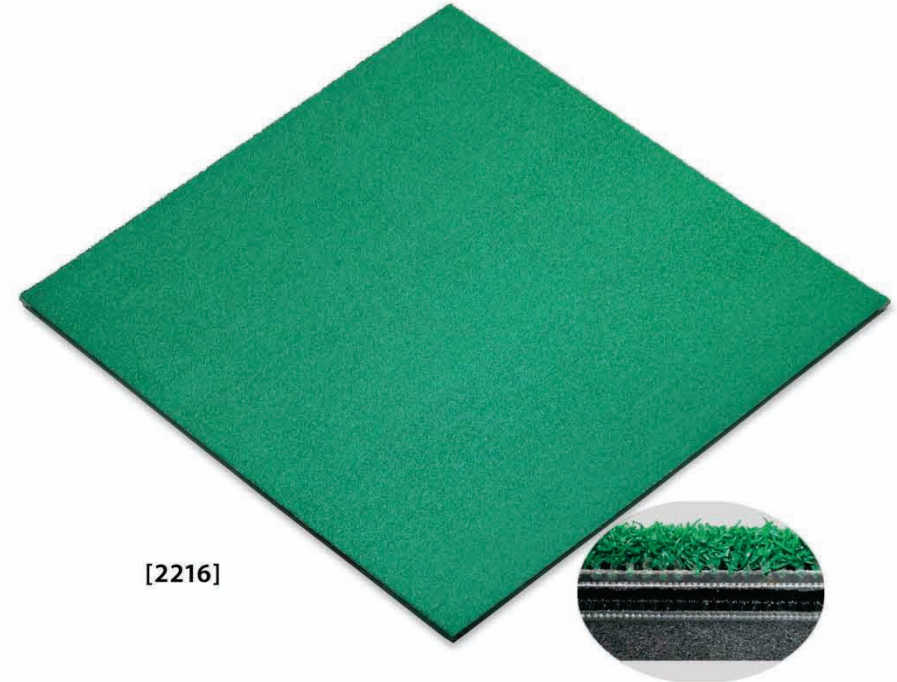

Standard Size: 59"X59"X1-1/5" (150cmx150cmx30mm), (15mm foam)
 Alternative Size: 59"X59"X1-3/8" (150cmx150cmx35mm), (20mm foam)

Order information:

- 22121A** Dual-Grass Mat Standard-Square
- 22121B** Dual-Grass Mat Standard-Octagon
- 22122A** Dual-Grass Mat Alternative-Square
- 22122B** Dual-Grass Mat Alternative-octagon

[2214]

[2216]

DELUXE ROUGH AREA MAT

The Deluxe Rough Area Mat is designed to simulate play from heavier or longer grass by using a longer fibre. This provides an increased resistance at impact for both the ball and club head and encourages the player to connect with the ball first and accelerate the club head through the impact zone.

Order information:

- 2214A** DELUXE ROUGH AREA MAT-square
Size: 59"X59"X1-9/10" (150cmX150cmX48mm), (15mm foam)
- 2214B** DELUXE ROUGH AREA MAT-octagon
Size: 59"X59"X1-9/10" (150cmX150cmX48mm), (15mm foam)

MULTI-FLEX MAT

Featuring shock absorbing layer of three dimensional air cushion. The spring-like layer creates an incredibly soft feel and providing extra protection to golfer's wrists.

Order information:

- 2216A** MULTI-FLEX MAT-square
Size: 59"X59"X1-3/8" (150cmX150cmX35mm)
- 2216B** MULTI-FLEX MAT-octagon
Size: 59"X59"X1-3/8" (150cmX150cmX35mm)

[2217]

[2200]

TEE-UP MAT

By constructing the Tee Up Mat with a curled thick fibre and foam padding, this unique design allows the player to use a normal wooden tee to replicate actual play and vary tee heights during a practice session. The player is encouraged to stay on the Mat for the whole practice session rather than seeking out and damaging a grassed area.

Order information:

2217 Tee- up mat Square 59"x59"x2"
59"x59"x2"(150cmX150cmX5cm)

TEACHING MAT

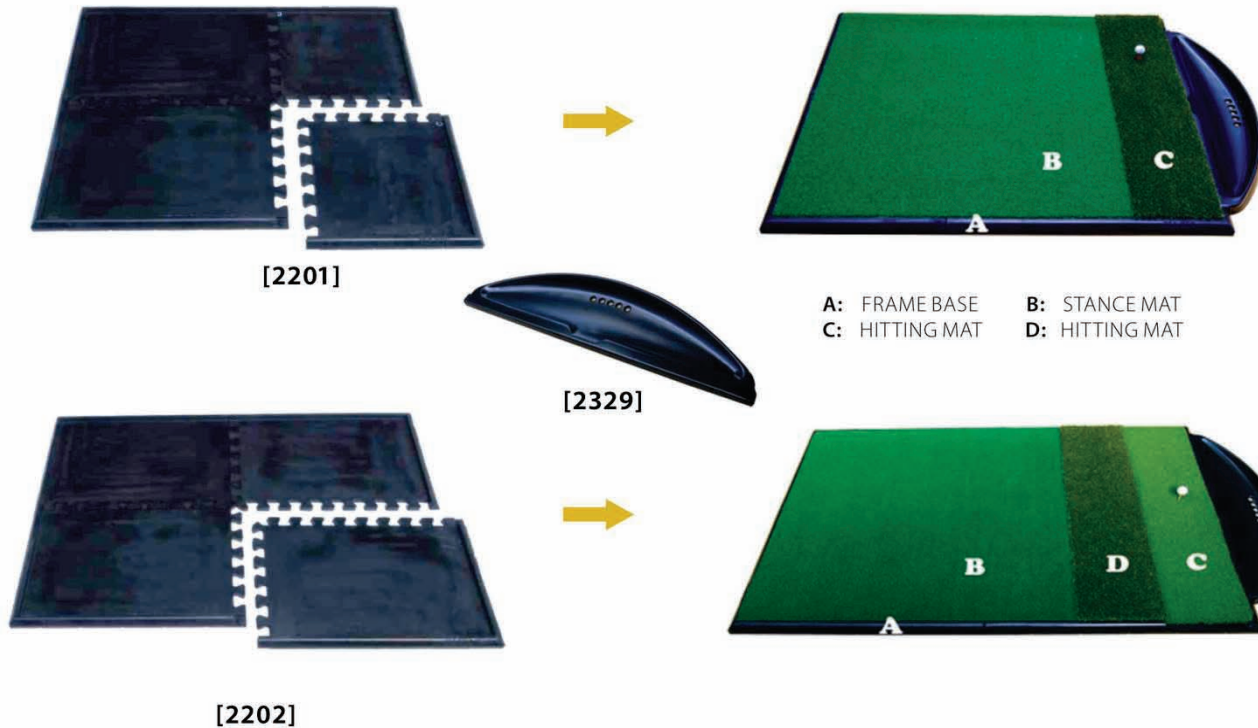

This teaching/practice mat come with whitestripe and center indicator which permanently imbedded in the mat, assist golfer to have the correct swing and stance. Constructed from high quality nylon turf and resilient foam padding.

Order information:

2200 Teaching Mat Square 59"x59"x1-3/8"
59"x59"x2"(150cmX150cmX3.5cm)

CLASSIC ANTI-SHOCK FRAME BASE SYSTEM

- The Classic Anti-shock frame base system has a combination of air and elasticity for improved shock absorption for comfortable play.
- 4- piece 100% PU Foam frame base is an independent unit compatible with many hitting mat inserts.
- All systems can be configured as single hitting mat or two hitting mats.

ENGRAVED LAMINATED PLASTIC SIGNS

If you are looking for low maintenance signs this is the answer. Using laminated layers of different colored plastic, the message or logo is engraved through the upper surface to expose the next color. These signs can be made in large sizes and will withstand beatings by golf clubs, balls and many of the typical vandal problems regularly encountered. Tough, long-lasting and outstanding fade-resistance.

LAMINATED PLASTIC FAIRWAY SIGNS

- single- or double-sided signage with 5" (13cm) stainless steel screw-in spikes.
- Choice of two sizes: 9"H x 15"W (23cm x 38 cm) or 6"H x 12"W (15cm x 30 cm).

Order Information:

LASER LINK RANGEFINDERS

Parsett is proud to be the exclusive distributor for Laser Link Golf in Greater China Region, including Mainland China, Hongkong, Marco and Taiwan, will be responsible for introducing the Laser Link Distance System to the golf courses in the Territory.

Laser Link Golf is the producer of the Laser link Distance System, the revolutionary distance measurement system designed specifically for golf. The laser-based system Utilizes two components - a handled laser rangefinder and a flagstick-based reflector- to determine the exact distance to the flagstick. Laser Link Golf products include the popular QuickShot rangefinder, the Red Hot rangefinder , the Switch rangefinder, the Smartstick reflector system, and the Smarty flagstick reflector. The System is designed to speed up play and add enjoyment to the game.

For more information about Laser Link Golf, please contact us or visit www.laserlinkgolf.com

Order information:

- 9909** Red Hot Rangefinder
- 9689** Quickshot Rangefinder
- LLS-1200** Switch Rangefinder

have always believed that having information, and more important, accurate information on yardages helps improve not only your performance but the overall golf experience. The Laser Link Distance System is the best way to find distance measurements quickly and accurately. Whether it is to help your performance or the speed of play, having this information on the course, literally at your fingertips, is a benefit for those that enjoy the game of golf.

Jack Nicklaus

When you want the best information, who do you ask?

You ask someone who can give you the information you need quickly, accurately, and simply. Ideally you want an expert? someone with the ultimate knowledge on the topic at hand. Without question, Jack Nicklaus has proven himself as the ultimate expert when it comes to the game of golf. His playing record as both an amateur and a professional has earned him the title as the best to ever play the game. And when the best wants to know the distance, the expert he trusts is the Laser Link Distance System.

[3380]

i-Plus HOLE CUTTER

- Impact-Plus, Hammer action Hole Cutter consisted of a traditional lever Action Hole Cutter and a Special Hammer.
- The Hammer can be easily separated from the hole cutter and the hammer weight can be adjusted as per your needs.
- It's quite simple and easy to operate, simply pull out the pin, lift the handle, and hammer action drives it into the ground.
- Two blade types available :

Outside sharpened blade: for heavier soil green
Inside sharpened blade: for lighter soil green

ADVANTAGES:

- Perfectly round holes with clean edges.
- Reduces arm/shoulder fatigue.
- Back-saving, eliminate awkward twisting action.
- Less cutting time.
- The hammer can be easily separated from hole cutter to reduce the cutter's weight.
- The hammer's weight can be adjusted according to your green soil conditions.

Order information:

- 33801** i-Plus Hole Cutter with Inside Sharpened Blade
- 33802** i-Plus Hole Cutter with Outside Sharpened Blade
